

Limited Product Warranty

All ARES products, properly applied are warranted for twelve (12) months from date of start-up, not to exceed eighteen (18) months from date of shipment. Start up must be performed by a qualified Technician and proof of start-up must be sent to ARES within 14 days for warranty to be valid (Start-up report can be found inside the blower module or furnace panel). ARES equipment is warranted to be free from defects in material and workmanship and will not suffer pre-mature failure due to detrimental corrosion or deterioration under normal maintenance and operating conditions.

ARES's obligation and liabilities under this warranty are limited to furnishing replacement parts or material, FOB factory, pre-paid, shipped standard ground. Defective parts at ARES's request shall be returned pre-paid to the factory. ARES requires a PO prior to shipping the replacement part(s) and a credit will be issued once the part is determined to be defective. ARES will provide an RGA number that must be shown on the packing slip. Labor to remove and replace defective parts, service calls and diagnosis are not covered under this warranty. Any warranty beyond this written warranty must be agreed to in writing and signed by an officer of ARES. Heat exchanger has a prorated 10 year limited warranty against manufacturer defect. The warranty of the heat exchanger is limited to replacement value of 100% the first year (as defined above for the unit) and prorated by 10% reduction value each year thereafter at the current part price, until the end of the 10th year where the warranted value will be reduced to 0%.

This warranty shall **not** apply if:

1. The equipment is not installed per the manufacturer's installation instructions.
2. The equipment is not installed in accordance with federal, state and local codes and regulations.
3. The equipment is misused or neglected.
4. The invoice is not paid within the terms of the sales agreement.

This warranty is in lieu of all warranties and liabilities whether in contract, expressed or implied. In no event shall ARES be liable for any incidental or consequential damages.

ARES reserves the right to make changes and or additions in their designs to improve the equipment without obligation to install such improvements in equipment previously manufactured.
